OUR LITTER PROBLEM by The Editor

There is a problem lurking around West, in corners, under desks, in dark corridors and under the feet of every pupil in the entire student body. This problem is also being ignored by almost every person in the entire student body. But it can't be ignored any longer. The problem is litter.

This may not be the most serious problem in the history of our school, but it is important, and anyone with an ounce of school pride knows it. So the next step is to do something about it.

Don't keep fooling yourself about that one piece of paper or gum, because there are 1,000 other people in this school thinking the same thing, which adds up to 1,000 little pieces of paper and gum on the floor. It makes the school look terrible, and deceives the fact that we do have pride in our school and the way it looks.

There are enough waste baskets around this school to throw your paper in so next time you're thinking about throwing that piece of paper on the floor, or sticking that piece of gum under the desk, give our school a little consideration and head for the wastebasket.

CONCERT BAND NUMBER ONE

By Tracy Crawford
Jamie McDaniel

West Jr. High was the host Saturday, March 13 for the District Class AA Jr. High School Band Festival. 15 jr. high bands competed in this annual event. Each band performs 3 numbers including a march, a required number and a selected overture. Those are evaluated by 3 judges on their overall musical effect. The bands also are required to sightread numbers that they've never seen before. Their sightreading performance is averaged with their concert performance to arrive at the final festival rating.

The West Jr. High Concert Band was the first band to perform, they received a First Division (excellent) rating for their outstanding performance. This is the first time in years that the band has received such a high rating.

One judge stated that it was "A good overall performance-very enjoyable to listen to"

Members of the Concert Band are to be congratulated on their outstanding performance.

The ratings of the other participating bands are listed in the band room.

For the past 2 weeks the S.C. has been concerning itself with the sale of t-shirts. We have written to several companies specializing in the sale of t-shirts. We also have been looking into the possibility of purchasing the t-shirts from Mellencamps clothing store. Nothing is definite yet, but it is the hope of the Student Council that you will be interested in buying a t-shirt when they are sold.

On Friday, March 19 the Student Council will be sponsoring a funnite for 8th and 9th grades. For this funnite the S.C. has decided to have a door prize. Everyone at the funnite will be eligible to win one of the two door prizes for the boys or the girls. Refreshments will be sold. After this funnite there will be only one more for each grade, not counting the freshmen farewell which is scheduled for the latter part of May.

Several other S.C. sponsored activities that are slated for the upcoming weeks include the East-West exchange day, Sponge Week, Arbor Day, and the Student Council electionz. There is also the possibility of an open meeting of the S.C. in which all students will be invited to attend and give their own opinions and ideas of how the S.C. is run and the activities of the S.C. No date has been set for the open meeting as of yet.

Dear Editor,

I'm very concerned about the litter problem in our school. You can find anything in the commons area from rotten food to dirty socks. People with third hour lunch have to pick up what first and second lunch hours threw on the floor. Mr. T's classes clean up the commons area everyday. I think some other people could participate in cleaning up the litter.

Sincerely, Gail Miller

Dear Editor,

I would like to comment on the litter problem in the seventh grade commons area. I have Mr. Tobias for Lass for my first three hours. Sometimes after first or second break we will pick up paper around the lockers. Other than Mr. Tobias's afternoon classes, we are the only ones. Couldn't there be something done about this outrage?

Signed "Outraged"

Dear Editor,

I liked the talent show very much. The first group was pretty good, but I couldn't understand their songs. Everybody was good. It was a good effort shown by the student body.

Seventh Grader

THE MODERN DANCE CLUB by

Mary Scafasci

The Modern Dance Club, under the instruction of Mrs. Adkins and Mrs. Bowan, are planning two recitals; but as yet there is no fixed date. To have qualified for the Modern Dance Club the applicants had dance try-outs where they had to dance out an object (such as a tree, flower, etc.) and listen to music and express the feeling they received from it. Mrs. Adkins said that she enjoys advising and teaching the members immensely. Since many of the participants were members last year, the Modern Dance Club should be as good as last year's, if not better.

ANSWER TO SCRAMBLED EGGS

THE SHADOW FOLLOWS JULIE VAN SYLKE

By Coleen Van Riper
Kim Bahr

On December 7, 1970 Julie walked into her first hour history class with a smile on her face and a twinkle in her eye. The smile disappeared and she reluctantly did her assignment.

After getting the latest gossip through the grapevine she expertly flipped pancakes. She then left the dirty work of cleaning up to her fellow cooks in her 2nd hour Home Ec. class.

Science was her next class in which she yawned, stretched, and bit her nails. She smelled the fresh paper and her eyes went to the back of her head. When she was supposed to be working she looked at the ceiling, played the piano on her desk, and talked quietly. Within 10 minutes of the bell she closed her books and talked for the remainder of the hour.

At lunch she ran around and danced in her seat.

Fourth hour gym she was about the last one to get dressed but when she came out she was raring to go. She yelled across the room a couple of times and constantly ran around during exercises.

During her LA class in the portable 5th and 6th hour she and other kids in her area gave the substitute teacher a little trouble. She also messed around with Phyllis Ferrell and Hugh Lawrence.

The final hour of the day she behaved very well as she only talked a little, but settled right down to her work.

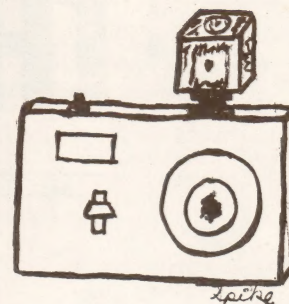

Her teachers all agree she talks too much but always gets her work done.

PHOTOGRAPHY CLUB

by-Debbie Young
Cheryl Crittenden

The Photography Club has just been newly organized this year. Last year the club wasn't fully organized so volunteers took the pictures. The purpose of this

club is to learn to print and develop pictures. They provide pictures for the year-book, round-up, administration and community. People who belong to this club can come anytime to use the facilities. There are no fees, no grades and it's an informal and enjoyable hobby. Mr. Carter, who teaches eighth and ninth grade science, is the advisor and the club has fifteen members. All the money that is earned, is used for club functions and equipment. The cameras are donated by students and teachers. The officers decide the activities to take photos of while Mr. Carter teaches and helps the club members. The photography club has raised money for film and paper and the school has also given money to this club. Right now the club is taking pictures for the year-book.

This club is educational and enjoyable and there is an open membership for anybody who likes to take pictures and has the willingness to work.

M. C. C.'S MILLAGE PROJECT

By-Patty Bailey

The Mustang Community Club and Student Council presented a skit written by Barry LaRue about the millage proposal. They had a speaker from Eastern Michigan University which discussed the millage in detail. Some students made posters which were distributed around the school.

WRESTLING WRAP UP

By Jamie McDaniel

In the outstanding 1970-71 season the Mustang Wrestlers won all their meets. Special congratulations to Mr. Lambros and Mr. Ichesco for being great coaches.

THE REDHEAD WAS SUNK!
THREE TIMES!

by-Coleen Van Riper

It took only 4 hours to pull three victories on the Vikings of East.

To start the clash with the cagers across town the 7th graders led by Mike Bowles brought down a 38-34 victory. Bowles led the way with 26 points, while Stanley Robertson added 7, Joe Andrews threw in 4, and Tracy Thomas added 1 from the foul line.

The 8th grade Mustangs got back on their feet after last week's fall with Belleville. It was a close, well-fought game by both teams as West came up on top with a 30-26 victory. The Mustangs rallied to their 5th win as John Cross sunk 11 points and Charles Richison was close behind with 8 points.

The 7th and 8th grades have closed their seasons. The 7th grade finished with a 2-4 record and the 8th grade finished at a 6-2.

The third game which was held on February 19 gave the 9th grade their 56th win of the season. It didn't take the "Big Guys" long to take a 20 point lead, in fact it was during the final minutes of the game.

West really poured it on strong in their win, a margin 3 points. Leading rebounder for West was Mike Powell. Scoring for the Mustangs were:

Bob Shepard-19 points
Marty Hurst-16 points
Mike Powell-15 points
Mike Bower -12 points
Ed Duffin - 9 points

ANOTHER MUSTANG VICTORY BOASTS OUR STANDING

by-Coleen Van Riper

The Little Mustangs met with the Belleville Tigers and proved to them that they weren't going to take another beating like the 48-28 one they got from them in January. They came on strong with a 31 point margin and 54-23 victory to wreck their 4 game-all season losing streak.

Leading scorers were: Stanley Roberson with 15 points. Michael Bowles with 14, and Tracy Thomas with 12.

For the second time this season the 8th grade was defeated. Fate hit as "Tate" (Marcus Taylor) starting center for the Mustangs broke his ankle during practice the night before the game. West kept it close, but as it turned out not close enough because the buzzer buzzed with the scoreboard reading 43-42.

Scoring high for the Mustangs unsuccessful attempt were: Charles Richison 16, Ardis Lewis 9, John Cross 8, and Buree Ford 6 points.

Cal Bradbury

MUSTANG VICTORY

by Joel Osborn

The Mustang wrestlers closed out their season here, February 23 by defeating the Adrian Maple Leafs 43-18. The Mustangs who were aided by four forfeits ran up the highest team total of the year, as the freshman wrestled in their last meet for West. Three wrestlers recorded wins for West. They were: George Wallace, at 81 lbs. in the third period, Cal Bradbury at 130 in the first period, and Jim Calder at 168, also in the first period. Winners by decisions were: Joel Osborn at 93 lbs. and Dave Green at 136. Mark Green earned a draw at 141. Larry Walker, Ken Hawkins, Dave Mead, and Mike Buck all won by forfeits.

The J.V. matmen also won as they whopped the Belleville J.V. team 34-3. Winners were:

WGT.	NAMES	RESULT
76	Naz Sesi	7-0
84	Tim Burandt	Pin per. 2
87	Norm Holman	Pin per. 3
132	Mark Green	10-0
133	Mike Delano	Pin 22 sec.
135	Bruce Smith	Pin 38
152	Jeff Tothill	Pin 42 sec.
155	Dave Wells	8-0

TENNIS PROGRAM TO BE HELD AFTER SCHOOL

by-Mark Green

A new tennis program is being started for the first time here at West. Mr. Ichesco and Mrs. Kalberer will be in charge of the new program which will be open to all boys and girls who are interested in playing tennis or learning how to play, no experience is necessary. The tennis club will hopefully begin playing around the beginning of April when the weather gets warm. They will be using the new tennis courts at Shadford Field. All those interested in playing should contact Mr. Ichesco or Mrs. Kalberer.

WRESTLERS WIN AGAIN

By Jamie McDaniel

The Mustang matman defeated Belleville 36-13. The highlight of the meet was Calvin Bradbury who broke the school record by getting 22 points at one time.

Wgt	Name	Result
83	George Wallace	12-0
88	Joel Osborn	9-2
98	Tim Ahles	4-1
107	Brad Holman	Pin
115	Dave Meade	7-0
123	Willie Richison	9-2
129	Calvin Bradbury	22-9
135	Dave Green	9-3
148	John Bouchard	Pin
168	Jim Calder	Pin

CLASH OF THE CENTURY

by-Tim Burandt

The West Junior High Male Faculty Basketball team upset a top ranked "74" spirit

The West Junior High Male Faculty Basketball team upset a top ranked "74" spirited Freshman team Friday afternoon with a score of 53-36.

Although the Faculty lead at the end of all four quarters the Freshmen displayed a fine defensive effort holding top-scorer Mr. Cross to absolutely no points. Also shot-out were Matman Lambros and Testube Kosky.

There was a glimpse of hope for the Freshmen but that was shattered by the devastating performance of the Faculty cheerleaders. The girls' basketball team was also defeated by the much improved Female Faculty, 9-8. Special mention goes to Gooney Mooney for her outstanding effort which brought about her winning the most valuable cheerer and player award of the competition. Runner was Beserkeeto Bond.

High-point man for the Faculty and the game was Quicky Quinn with 9 baskets for 18 points. High-man for the Freshmen was John Collins with 9 points.

Others scoring for the Freshmen went to:
Mike Powell-7 points
Mike Bower -6 points
Al Andrews -5 points
Bob Shepard-4 points
Tom Clark and Dan Minzer each with 2 points and little old Oaky Oestrike connected for 1 point.

Coaching for the Freshmen was done by the former Freshmen manager Floyd Wafer.

Guns for the opponents alias Faculty included:

Sweet Shot Ichesco-9 points
Legs Livedoti-9 points
While Artman Dorian with Rocket Rogers and Bunny Brown chalked up 4 points.
Rile'lin Rowley exploded for a total of 3 points while Jobby Johnson hit for a big 2 points.

Faculty coaching and yelling was fulfilled by Mr. Robert Wagner.

ANSWER COUNTING SQUARES

WEST IS VICTORIOUS IN THREE
KEY GAMES
by-Coleen Van Riber

West cagers were host to Belleville for a 71-68 win. Scoring high for the Mustangs were Marty Hurst with 20 points, Bob Shepard with 19 points, and John Collins with 10.

The Adrian Maples finally saw defeat from the Mustangs of West in a 76-75 loss. High scoring for the West cagers: Bob Shepard-20, Marty Hurst with 17, Michael Powell-14, John Collins-11, and Mike Bower-9 points. Great work was put in by John Collins and

Mike Kruzel who both came off the bench during the game.

West cagers earned a polished 7-3 record after a final win of the season over East. In final 64-43 score a 21 point lead. Marty Hurst threw in 16 points and Michael Powell threw in 15 points to lead the Mustangs.

STALE JOKES

BY BOB CAMPBELL
DAVE CLARK

Q: What did the ocean say to the land? A: Nothing, it just waved.....

Q: Do you know how to make an elephant float?

A: Take a glass, two scoops of ice cream, some milk and an elephant.....

Farmer: What do you think about drilling me a well?

Hippie: I can dig it.....

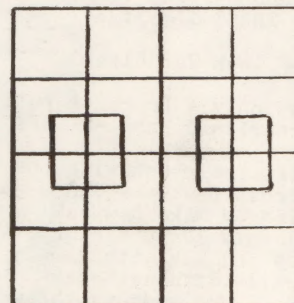

Q: If you cross an elephant with a rhino, what would you have.

A: An Elifino.....

Q: What is the difference between an elephant and a plumb?

A: their color.....

How many squares can you find in this figure?
There are forty all together.

RUMOR OR GOSSIP? by Wetsy and Websy

Do you know that "flaky" leaves his class at least five times every hour?

Did you know that a certain person dropped one of her earrings down her blouse and had to wait all day before she could take it out?

Did you know that something went wrong with the ecological status of the world? There's been a full moon every night for the past month.

Did you know that two certain girls in the ninth grade are trying to reform? The Round-Up Staff is behind you all the way.

Do you know that Bob sings - without stopping - all through fifth hour?

A leading agricultural company has developed a new breed of rose that takes all of our rumors and gossip before we can put it in the paper.
